General Business:

- Subway forms out this Thursday. Orders to be in by Monday, Subway delivered on Tuesday.
- Milk in Schools, moved to lunch time. Still keeping a track of how many are being returned. Will keep track. No effect on teachers whether it is at lunchtime or playtime.
- Disco definitely 10th September, theme – Countries of the World. Junior 6-7 and senior 7:15-8:15, middle choose a session. Ask Troy Allen to see if he's available to DJ. Water free, \$3 entry with a free glow stick.

MINUTES

Best dressed prizes, best dancer, etc? Jenna and Lynne to organise, co-ordinate. Fundraise for kapahaka uniforms??

- Family photos – Lucinda asked if we were still going ahead with this for this or next term? Next year, term 2. Ask Black Photography if they would be interested in doing this.
- Jude talked about needing more sports shirts. They went out for netball and all came back in good condition. They are currently allocated for miniball, with gymnastics and inter school cross country coming up. Hillsy will go to Sportsworld and Visual Effects to see what deal we can get. Will need approximately 36+ shirts. Size 4 if possible, otherwise just 6, 8, 10.
- Graeme talked about calf rearing scheme. Asked about how the financial side will work. Will the school be paid directly or will they pay Graeme and then he passes the cheques onto the school with appropriate paperwork. Is there an agent that we would prefer to use? Probably Jason Roberts, Heidi is still a student at the school. Neven Granich will probably transport for free, have done in the past, will find out. There are approximately 8 families registered to raise a calf.
