# MINUTES

\*Colour Run – Jenna Crighton wants to organise a Colour Run. Look at doing it Term 4 this year.

\*6 hour Run? – similar to the Intermediate 24hr Run but on a primary school scale (Tracey Park)

\*Mike Hills is keen on getting new netball uniforms. I agree. Not a huge need this year as with the new sports shirts, the feeling is they look pretty good.

\*Jude says we need more sports shirts. We have handed them out to the netball girls but not enough for hockey. Looking at approximately 50 more shirts. We will see how the trial goes with the netball girls and see how the shirts come back.

\*Still waiting to hear from Alma Juma about the prices of tablets for the school. Currently looking into pros and cons of different tablets and how they will fit into our school. Lease or buy?

\*Junior school are looking at having a hangi. Sooty Samuels is going to put the hangi down. Looking at the 9 June. Change sushi day possibly if it is confirmed.

\*Jude Trumm asked about the school's policy on homework. Not compulsory but children are encouraged to do it not parents. Talk to the child's teacher if there are issues. Opportunity for children to be self disciplined in their home life.

**Moved:** Mike Hills

**Seconded:** Jenna Crighton
